Albion Intro. from the Anglo-Saxophone • Will The Circle Be Unbroken • Delta Lady • Feelin' Alright • Change In Louise • Darlin' Be Home Soon • Going To New York City • Superstar • We Love You Conrad • Please Give Peace A Chance • She Came In Through the Bathroom Window • Let It Be • The Letter • Something • Sticks and Stones • Lawdy Miss Clawdy • Bird On A Wire • Honky Tonk Woman • Space Captain • With A Little Help from My Friends • Ballad of Mad Dogs & Englishmen

This classic rock film captures one of the most exciting concert tours ever and defines the spirit of a generation in much the same way as "Woodstock" and "The Last Waltz".

"Mad Dogs & Englishmen" stands today as one of the most dramatic visual records of a tour and a time, with backstage footage, fan interviews and electric performances.

Joe Cocker and friends—among them, Leon Russell and Rita Coolidge—cut loose with close to two dozen incredible songs.

Sharice

Fresh, vibrant, hip and soulful, Shanice Wilson truly shines on INNER CHILD, her sparkling and expressive debut album for Motown Records. A perfect showcase for her five octave vocals and her bright, engaging personality, INNER CHILD, produced by super hitmaker Narada Michael Walden, presents the many musical sides of this highly talented young performer. "The music on this album is universal," says Shanice, who co-wrote a number of the songs with Walden. "We covered everything from pop to r&b to dance to hip-hop."

From the beautiful opening interlude, "Keep Your Inner Child Alive" to the upbeat first single, "I Love Your Smile" and on to the tender "Silent Prayer" (which features labelmate Johnny Gill), Shanice demonstrates the creative growth she's undergone since her first album.

Shanice started out singing melodies at seven months of age. "My mom has it all on tape," she laughs. "I started out singing on stage with my mom and my aunt." She also performed in local musicals, modeled and appeared in national TV commercials.

It was her collaboration with Narada Michael Walden that provided just the right chemistry for her all important Motown debut. Whether she's weaving a tender plea of hope for a lover's safe return as on "Silent Prayer," expressing her desire for "Peace In The World," an upbeat anthem for global harmony or kicking some serious grooves on "You Ain't All That" and the streetwise "You Didn't Think I'd Come Back This Hard," Shanice is covering all musical bases.

Demonstrating her extraordinary vocal talent and her skill as a songwriter, Shanice Wilson is in total command on INNER CHILD, the first of many exciting Motown albums this young lady is destined to record.

THE BRITISH INVASION ALL STARS

"A rare talent which understands how rock classics like 'My Generation' and Chuck Berry should be played" – *Time Out*, London's leading weekly magazine.

THE YARDBIRDS – CREATION

NASHVILLE TEENS – DOWNLINERS SECT

SUPERGROUP

The Yardbirds' Jim McCarty (drums), The Creation's legendary Eddie Phillips (lead guitar), The Nashville Teens' Ray "Tobacco Road" Phillips (lead vocals) and the Downliners Sect's Don Craine (guitar) & Keith Grant (bass) have formed the ultimate supergroup, **The British Invasion All-Stars.** The All-Stars play raw explosive high energy non-watered gut rock the likes of which you haven't heard in 20 years. No accoustic guitars, no chick singers, no synths, no drum machines, no side musicians, just straight ahead Godzilla rock by the originals who started it all. Call it regressive rock.

Produced by M. Ober & A. Heath. (P) (C) 1989.

featuring new single
"Doctor My Heart"

Wylie & the wild west show

You may be familiar with Wylie of "Wylie & The Wild West Show" from seeing his hit CMT & TNN debut music video "This Time" and his successful second video "The Yodeling Fool." Now to launch his debut album, Wylie returns with his third video, "Doctor My Heart," a song co-written with the legendary Kostas.

The scenes in the videos where Wylie is riding the plains and singing from atop Buffalojumps were shot entirely on his family ranch in north central Montana. Wylie was born and reared on a 20,000 acre cattle and horse ranch and is a cowboy in the truest sense. He spent hours in the saddle after school and summers, and often wrote songs in his head and hummed tunes as he worked the ranch with his dad and three brothers.

We hope, as CMT and TNN did, you will give Wylie & The Wild West Show the opportunity to be heard.

ATTENTION!!!

I KNOW EVERYONE WANTS TO ADD THE

VANESSA WILLIAMS

CLIP IMMEDIATELY, BUT....

I WAS JUST INFORMED, AFTER THIS REEL WAS DUBBED, THAT THERE WILL BE CHANGES MADE. THE NEW VIDEO SHOULD BE READY BY FRIDAY, NOVEMBER 1. I WILL HAVE IT SENT OUT AS SOON AS IT IS AVAILABLE.

SO PLEASE...DON'T PLAY THIS VERSION OF VANESSA WILLIAMS.

PLEASE MAKE A NOTE ON THE REEL SO THAT IT DOESN'T GET USED!

I'M SORRY FOR ANY INCONVENIENCE.

Albion Intro. from the Anglo-Saxophone • Will The Circle Be Unbroken • Delta Lady • Feelin' Alright • Change In Louise • Darlin' Be Home Soon • Going To New York City • Superstar • We Love You Conrad • Please Give Peace A Chance • She Came In Through the Bathroom Window • Let It Be • The Letter • Something • Sticks and Stones • Lawdy Miss Clawdy • Bird On A Wire • Honky Tonk Woman • Space Captain • With A Little Help from My Friends • Ballad of Mad Dogs & Englishmen

This classic rock film captures one of the most exciting concert tours ever and defines the spirit of a generation in much the same way as "Woodstock" and "The Last Waltz".

"Mad Dogs & Englishmen" stands today as one of the most dramatic visual records of a tour and a time, with backstage footage, fan interviews and electric performances.

Joe Cocker and friends—among them, Leon Russell and Rita Coolidge—cut loose with close to two dozen incredible songs.

Sharice

Fresh, vibrant, hip and soulful, Shanice Wilson truly shines on INNER CHILD, her sparkling and expressive debut album for Motown Records. A perfect showcase for her five octave vocals and her bright, engaging personality, INNER CHILD, produced by super hitmaker Narada Michael Walden, presents the many musical sides of this highly talented young performer. "The music on this album is universal," says Shanice, who co-wrote a number of the songs with Walden. "We covered everything from pop to r&b to dance to hip-hop."

From the beautiful opening interlude, "Keep Your Inner Child Alive" to the upbeat first single, "I Love Your Smile" and on to the tender "Silent Prayer" (which features labelmate Johnny Gill), Shanice demonstrates the creative growth she's undergone since her first album.

Shanice started out singing melodies at seven months of age. "My mom has it all on tape," she laughs. "I started out singing on stage with my mom and my aunt." She also performed in local musicals, modeled and appeared in national TV commercials.

It was her collaboration with Narada Michael Walden that provided just the right chemistry for her all important Motown debut. Whether she's weaving a tender plea of hope for a lover's safe return as on "Silent Prayer," expressing her desire for "Peace In The World," an upbeat anthem for global harmony or kicking some serious grooves on "You Ain't All That" and the streetwise "You Didn't Think I'd Come Back This Hard," Shanice is covering all musical bases.

Demonstrating her extraordinary vocal talent and her skill as a songwriter, Shanice Wilson is in total command on INNER CHILD, the first of many exciting Motown albums this young lady is destined to record.

THE BRITISH INVASION ALL STARS

"A rare talent which understands how rock classics like 'My Generation' and Chuck Berry should be played" – *Time Out*, London's leading weekly magazine.

THE YARDBIRDS – CREATION
NASHVILLE TEENS – DOWNLINERS SECT
SUPERGROUP

The Yardbirds' Jim McCarty (drums), The Creation's legendary Eddie Phillips (lead guitar), The Nashville Teens' Ray "Tobacco Road" Phillips (lead vocals) and the Downliners Sect's Don Craine (guitar) & Keith Grant (bass) have formed the ultimate supergroup, **The British Invasion All-Stars.** The All-Stars play raw explosive high energy non-watered gut rock the likes of which you haven't heard in 20 years. No accoustic guitars, no chick singers, no synths, no drum machines, no side musicians, just straight ahead Godzilla rock by the originals who started it all. Call it regressive rock.

Produced by M. Ober & A. Heath. (P) (C) 1989.

HIT VIDEOS
featuring new single
"Doctor My Heart"

Wylie & the wild west show

You may be familiar with Wylie of "Wylie & The Wild West Show" from seeing his hit CMT & TNN debut music video "This Time" and his successful second video "The Yodeling Fool." Now to launch his debut album, Wylie returns with his third video, "Doctor My Heart," a song co-written with the legendary Kostas.

The scenes in the videos where Wylie is riding the plains and singing from atop Buffalojumps were shot entirely on his family ranch in north central Montana. Wylie was born and reared on a 20,000 acre cattle and horse ranch and is a cowboy in the truest sense. He spent hours in the saddle after school and summers, and often wrote songs in his head and hummed tunes as he worked the ranch with his dad and three brothers.

We hope, as CMT and TNN did, you will give Wylie & The Wild West Show the opportunity to be heard.

ATTENTION!!!

I KNOW EVERYONE WANTS TO ADD THE

VANESSA WILLIAMS

CLIP IMMEDIATELY, BUT....

I WAS JUST INFORMED, AFTER THIS REEL WAS DUBBED, THAT THERE WILL BE CHANGES MADE. THE NEW VIDEO SHOULD BE READY BY FRIDAY, NOVEMBER 1. I WILL HAVE IT SENT OUT AS SOON AS IT IS AVAILABLE.

SO PLEASE...DON'T PLAY THIS VERSION OF VANESSA WILLIAMS.

PLEASE MAKE A NOTE ON THE REEL SO THAT IT DOESN'T GET USED!

I'M SORRY FOR ANY INCONVENIENCE.
